## Food Truck Inspections:

- Please read the Mobile Food Vehicle Pre-Inspection Checklist from the Fire Marshal's Association of Colorado.
- Schedule your inspection with the Larkspur Fire Marshal a minimum of 10 days prior to operating within the Larkspur Fire Protection District.
- The fee for inspection and permit is \$10.00. If you schedule for an inspection in less than 10 days the fee is \$150.00 and there is no guarantee you will pass. The fee is for a pass/fail inspection. You can have one free follow-up inspection whether you pay the \$10.00 or \$150.00 fee.
- Don't count on a *pass*. If you do not pass, you cannot operate within the Larkspur Fire Protection District.
- If you participated in the Castle Rock/Larkspur Fire Protection District Food Truck Jamboree and received an inspection sticker there or any other time from the Castle Rock Fire Department, you are an *automatic pass* here and will be issued a permit by the Larkspur Fire Protection District. Your Castle Rock sticker and Health Department sticker are required to have this *automatic pass*.
- If you have not received a business license from the Town of Larkspur (or Douglas County if operating outside of the Town of Larkspur) your permit issued by the Larkspur Fire Protection District is *not valid* and will be revoked (to obtain a business license with the Town of Larkspur you will need a permit from Larkspur Fire first).
- Mobile Food Vehicle permits apply to all food carts that use heating or cooling devices or have mounted generators and/or mobile generators associated with them.
- If you have a food trailer, on site spot inspections will include any tow vehicles attached to the trailer including in the passenger compartment.

If you have any questions, please contact the Fire Marshal using the contact information below.
